The second of Del Mar Foundation's Summer Twilight Concerts entertained a packed Powerhouse Park — and an ocean filled with surfers — with surf sounds and the music of Jimmy Buffett on July 9. The Tourmaliners opened the show with a dynamic surf guitar set, entertaining a big crowd in the water on surfboards, as well as those in the park.

Jimmy's Buffet then took the stage, performing the iconic music of Jimmy Buffett while the sun set and the crowd danced the night away. The Twilight Concert sponsors who make these shows possible are Capstone Advisors, Del Mar Car Care, Jake's Del Mar, Monarch Ocean Pub, Poseidon Restaurant Del Mar, Rande Turner Collective, Zel's Del Mar, D' Arcy Capital, Sharon & Richard Bockoff, and the County of San Diego.

The Summer Twilight Concert Series continues on July 23 and Aug. 13, beginning at 6 p.m. with Zel's Opening Act, followed at 7 p.m. with the main attraction. Powerhouse Park is located at 1658 Coast Blvd, Del Mar, 92014. For more information, visit [delmarfoundation.org](http://delmarfoundation.org).
