

CAPSTONE ADVISORS CELEBRATES 30TH ANNIVERSARY WITH CHARITABLE SPIN

Capstone Advisors celebrates milestone anniversary by donating \$150,000 to nonprofits

Carlsbad, Calif. – Aug. 10, 2026 – Capstone Advisors marks 30 years of successfully owning, operating and developing a wide range of commercial real estate across the country.

Since its beginning in 1996, Alex Zikakis, founder and president of Capstone Advisors—a Carlsbad-based diversified real estate investment, development and advisory firm—has led the company through a wide variety of economic cycles while ensuring the company thrives by adjusting its investment focus throughout the years. Throughout the decades, Capstone Advisors has built a strong reputation in investing, improving and operating a wide variety of complex real estate assets across the country. The firm’s investment history now stands at over \$4 billion.

In celebration of this milestone, Capstone Advisors is furthering its commitment to making a positive impact by donating \$150,000 to charitable organizations across the communities it serves. The 30 organizations will each receive \$5,000 donations and will be selected with help from Capstone’s local tenants in each market.

“For the past three decades, we’ve dedicated ourselves to strategically developing and positioning our properties for success and creating a positive lasting impact for tenants, their customers and the communities where we operate,” said Zikakis. “As part of our 30th anniversary celebration, we are thrilled to work with our tenants to identify and support a wide variety of non-profit organizations that serve the specific localities that have played a role in our success.”

Beyond its milestone anniversary celebration, Capstone Advisors gives back through the Capstone Impact Foundation. The foundation is focused on supporting local organizations and initiatives that provide key resources to the communities they serve or nurture emerging talent. Through this initiative, Capstone Advisors has supported local university programs focused on preparing the next generation of real estate professionals, provided scholarship funds for deserving students, as well as making contributions to a wide variety of local charities focusing on helping the most vulnerable members of society through organizations such as The Salvation

Army and Voices for Children, two organizations where Zikakis currently serves as a board member.

Capstone Advisors currently owns 24 multi-tenant properties in Southern California, Utah, Arizona, Nevada and Virginia, spanning the retail, industrial and office sectors.
